

# Looking for an SEL curriculum that's engaging, systemic and easy to apply?

## We can help!

To meet the high demand for Social Emotional Learning content for junior high and high school students, Tilly's Life Center (TLC) is offering our Educator Training for free!

TLC gives educators practical methods to adopt SEL practices and activities into their classrooms, through a comprehensive SEL framework that can be seamlessly implemented as a school-wide wellness support system.

## TLC Educator Certification — virtual & on-site options are available.

### Deliverables:

- 8 hours of training
- Monthly coaching drop-in sessions
- Unlimited use of our "I Am Me" Curriculum
- 36 interactive, high-quality lessons for adolescent learners
- Access to TLC-branded supplies and our Classroom Toolkit (additional cost)

Regularly valued at \$5000 (for up to 35 educators) — **our training program is free for a limited time only.**

## What educators are saying about TLC

"TLC's staff was great and very friendly. I also enjoyed getting to know my colleagues on a deeper level."

"It was cool to put ourselves in the role of the student and feel what they might feel."

"The experience seemed much more effective than lecturing about the principles or the curriculum."

"TLC training was useful because I now know how the students will feel with uncomfortable topics. I feel more prepared for uncomfortable conversations."
